ABOUT

Web designer with a critical eye on technology. I build with the client and for the client: understanding their needs, respecting their autonomy and thinking about their long-term relationship with whatever they manage digitally.

LANGUAGES

Catalan	<i>native</i>
Spanish	<i>native</i>
English	<i>advanced</i>
French	<i>intermediate</i>

INTERESTS

- reclaiming technological agency
- building open and free tools
- critical digital pedagogy
- technological reappropriation
- digital spaces yet to be imagined

experience

Freelance web design — [meowrhino.studio](#) 2020 — present

Websites built from scratch, understanding the client's needs and thinking of them as the person who'll have to maintain it. Free, open, custom code. No unnecessary subscriptions. Clients: artists, collectives and creative professionals — such as [andreacarilla.work](#). More projects at [meowrhino.studio/#portfolio](#).

UX/UI Design & Creative Direction — [Grupo MAYO](#) 2021 — 2023

Layout of magazines and publications, landing-page design for events and training courses. Writing briefs, newsletters and digital visual communication.

Graphic communication — [CC Can Felipa](#) 2022 — 2024

Graphic design for 3 exhibitions and the closing publication.

Design & communication — [Fundación Esplai](#) 2024 — 2025

Graphic design, internal blog management and copywriting.

Digital technician — [Escola Massana](#) 2019 — 2020

Programming advice, tech support and tool use at the digital fabrication workshop.

Member & web designer — [Estructuras3000](#) 2023 — present

Collective for digital artistic creation and experimentation.

education

BA in Art and Design — [Escola Massana \(UAB\)](#) 2016 — 2021

Aesthetics, artistic practice, design and contemporary critical thought.

Music Production Certificate — [Microfusa](#)

Music production with Ableton Live.

HTML, CSS, JS, UX/UI — [The Odin Project](#) · [UDEMY](#)

personal projects
